The YP Land Owners' Group is in the process of becoming an incorporated body. Accordingly, a new committee has been appointed and the position holders are as follows;

Chair – Tom Saint

Vice-Chair – Stephen Lodge

Secretary – Lauren Kakoschke

Treasurer – Carolyn Clift

We have established a website yplandowners.com, a **Facebook** page and **Twitter** account. If you haven't already visited the website or the social media pages please do so – the more hits and "likes" that we receive, the more our message will be shared.

An **Information Flyer** has been distributed throughout the CYP farming and

coastal areas. A copy of the flyer is linked to our website.

We have also established a **Petition**. A copy can be found on our website, and we have placed copies in the following locations - Post offices and caravan parks in Pine Point, Port Vincent, Minlaton, and Maitland as well as the Arthurlton store and the Post Office in Ardrossan. Please endeavour to sign a petition and also encourage others to sign it.

YPLOG voiced our concerns to the District Council of Yorke Peninsula and was invited to speak at the Council Meeting on Wednesday 9th October. Tom Saint and Joy Wundersitz both gave excellent presenta-

tions in front of the members of the Council and an excellent turn out in the gallery of approximately 100 people, all there with their own concerns about the progression of the Hillside Mine.

With the assistance of Steven Griffiths we are organising a **Public Meeting to be held in Ardrossan Town Hall on Sunday 20th October at 2.00pm. We would encourage all interested and concerned residents to attend.**

The committee will continue to work with the local Progress Associations, the Rex Minerals Community Consultative Group, Ag Bureaus, the Council and DMITRE and politicians to discuss the issues and concerns that are arising from the Hillside Proposal.

PUBLIC MEETING -Ardrossan 20/10/13

As mentioned above, the YP Landowners Group have organised a Public Meeting to be held at the Ardrossan Town Hall on Sunday 20th October 2013

at 2.00p.m. The meeting will be chaired by Steven Griffiths, Member for Goyder and will also feature several prominent speakers. If you are con-

cerned about the Hillside venture (and we all should be) then it is vital that you show your support at the Public meeting this coming Sunday.

How can you help?

“A choir is made up of many voices, including yours and mine. If one by one all go silent then all that will be left are the soloists.

Don't let a loud few determine the nature of the sound. It makes for poor harmony and diminishes the song.”

— Vera Nazarian,

We would like to encourage as many new members as possible, please spread the word - join us via our website **yplandowners.com.au**

There will be no joining fee for new members but we will be welcoming donations to support the expenses for the group which will include advertising and

legal advice. Details for electronic donations will be available soon on our website.

We would welcome any suggestions for our group or if you are able to offer any assistance to the YPLOG committee, all offers would be much appreciated, especially leading into the busy hay and har-

vest season. Please email **helpus@yplandowners.com.au** or feel free to contact any of the committee members directly.

The YPLOG committee will keep you up to date with ongoing progress and new information.

STOP PRESS

The deadline for submissions to DMITRE has been extended to the close of business on 8th November 2013, due to the fact that there were differences between the printed and electronic copies in Rex's MPL, the official documents lodged with DMITRE.
